

# Minor Spanish Degree Plan Sheet 2016-17

Hours in Spanish 18

---

**TEST OUTS:** Students with previous language experience may test out of the 101, 102, 203, or 204 levels in Spanish, thereby accelerating the completion of the minor. To test out of language classes, students need to obtain written approval to enroll in the test-out section of the course and take the final exam at the scheduled time during finals week. The student's grade on the final exam becomes the student's semester grade for the course.
