† Required artifact for D.Min. Program.

†† Students who enter the DMIN program during the Spring semester, will enroll in PRFT 759 and PRFT 710.

††† International students will attend the 2-1/2 day session during the Summer session in order to maintain international student visa status; all other students may take the course online, or may choose to come to campus for the course session.

 †††† Students enroll in **GHPE 703**, Graduate Health Fitness, an on-line course. **GHPE 715**, Graduate Aerobics and **GHPE 725**, Graduate Walk, are also on-line courses. Students who are alumni and have already completed Graduate Health Fitness, either in the undergraduate or graduate programs, may take Graduate Aerobics or Graduate Walk, and may take the same elective twice. Active Duty Military Chaplains can submit their DDE forms to receive credit for GHPE requirements.

+ After successful completion of all coursework and candidacy level assessment, students proceed to the Research Project/writing phase which may take 1-3 years. DMIN 790, Research Project, is offered each Fall and Spring semester. More information is in the DMIN Handbook and the DMIN ARP Form and Style Manual.

**In order to remain in the Doctor of Ministry Program, students must earn a grade no lower than “B” for each course throughout the program.**
*Students are required to follow the sequence of courses on the Degree Plan Sheet.*
