Above is a list of courses that must be taken in order to complete your degree. The order may change due to the availability of courses or previous college course work. However, it is suggested that you follow this degree plan format. Elective requirements may be fulfilled by transfer of credit or by taking courses of the student's choice from ORU's undergraduate online offerings. (NOTE: This is not your transfer evaluation!)

Please note that taking more than 8 credit hours per 7-week term is neither recommended nor allowed without petition.

KEY

* - One of the following transfers as a social sciences elective: BUS 201, PSY 201, SOC 101, SOC 201.

Students may choose from the following laboratory science courses: BIO 101, CHE 101, EVR 101, PSC 101.

Students must either complete COMP 101 with "C" or higher or pass a placement exam in order to enroll in COMP 102.

T - Transferred

NA - Not applicable
